

## English Placement

Placement into English composition classes is determined by a student's score on the SAT Verbal exam, or the ACT Verbal exam when SAT is not available. With a sufficiently high score, the student is exempt from the Writing Skills requirement. A waiver for ENG 101 and/or ENG 201 based on test score does NOT give the student any credit towards graduation. Placement by scores is as follows:

### **Finding a student's placement score:**

Scores that students received on either the SAT or the ACT can be found by using the CICS screen IDSKLSTU.

Note: In exceptional cases students who want to petition for placement out of their assigned level of English composition can direct their inquiries to the English department, 306 Clemens, 645-2575.
